

FROM THE 'ENERGY, ECONOMY, CLIMATE & YOU!' POSTER

ELECTRICITY

What do you use electricity for?
How much do you spend on electricity?
Where can you reduce use?

Learn more,
make a plan
& take action:

[VEEP.ORG/
POSTER-2020](http://VEEP.ORG/POSTER-2020)

6,765
kWh/year,
per family

2,503 lbs
CO₂e/year,
per family

\$1,174/
year,
per family

OUR MISSION

is to build a deep understanding of energy through education, encouraging choices that result in sustainability in our communities, economy and environment.
