

# FROM THE 'ENERGY, ECONOMY, CLIMATE & YOU!' POSTER

## ELECTRICITY

What do you use electricity for?  
How much do you spend on electricity?  
Where can you reduce use?

Learn more,  
make a plan  
& take action:

POSTER-2020](http://VEEP.ORG/POSTER-2020)

**6,765**  
kWh/year,  
per family

**2,503 lbs**  
CO<sub>2</sub>e/year,  
per family

**\$1,174/**  
year,  
per family

### OUR MISSION

is to build a deep understanding of energy through education, encouraging choices that result in sustainability in our communities, economy and environment.
